Key words: errata – addenda – accretion – accretion discs – black hole physics – X-rays: binaries.

In the paper ‘The reflection component in the average and heartbeat spectra of the black-hole candidate IGR J17091–3642 during the 2016 outburst’, MNRAS, 478, 4837, sty1372 (2018), we mistakenly used the name of the black-hole candidate as IGR J17091–3642 instead of the correct one, IGR J17091–3624.

This paper has been typeset from a \LaTeX file prepared by the author.
